How you can help...

Dear CMP Parents,

Your participation is part of what makes our school amazing! Our FUN-raising Committee focuses on raising money for our school and is also fueled by our parent volunteers. Please choose at least one area where you can help with our fundraising efforts, then turn this form in at the office. Your volunteer time counts towards your Parent Participation Hours (PPH). Classroom parent volunteers are such a huge help to their teachers; your classroom teachers will discuss classroom volunteer opportunities at their Back-to-School Night.

"At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents." ~Jane D. Hull
